

# Do you manage patients living with pain?

We are seeking health care providers who manage older adults living with pain to learn more about pain management options.

## Integrative Pain Management Focus Group

The Aging and Integrative Pain Assessment and Management Initiative (AI-PAMI) is seeking health care providers for a virtual focus group to help inform an upcoming Integrative Pain Management Course.

### Participants will be asked about:

- Your current use, knowledge and interest in topics such as, acupuncture, aromatherapy, physical therapy and yoga
- Preferred course format to best facilitate learning
- Information and materials to help integrate pain management therapies in your clinical practice for your patients ages 50 and older

There is no cost to attend.

Funding for this project is provided by the Florida Blue Foundation and the Florida Medical Malpractice Joint Underwriting Association.

## Registration

- This focus group will take place on Zoom. A link will be sent to participants when the event is scheduled.
- If you are interested in registering to participate, use this link to sign up:
